

DOMETIC RM 8400 Left hinged Absorption refrigerator 12 V / 230 V

Reference: 9500001551

The 8 Series range of 3-way fridges are an adaptable and user-friendly collection featuring high quality models with many space saving features. These stylish design pieces are available in two door or large door models, with freezer compartments, innovative design elements and a pleasant ice-blue, energy-saving LED interior light. The interiors can be altered to fit your needs.

This 95 l fridge with a patented removable freezer, caters for all your cooling needs while you're on the move. Plus it's silent, meaning you won't be disturbed by its superb cooling performance.

Great cooling service

With its patented removable freezer, the 90 l Dometic RM 8400 really is designed to take care of your every cooling need, with minimum fuss too. As well as the helpful freezer design for easy removal, it has a secure door lock, an option for a vent and fingertip door opening. But, perhaps best of all, it's perfectly silent. So it will keep your drinks cool without disturbing you!
