

DOMETIC COOLMATIC MR 07 Refrigerator 12 V

Reference: 9105204550

This robust, compact refrigerator is made from stainless steel. A reliable fixed point +5 °C (± 1 °C) makes it ideal for safely transporting heat sensitive products. Additional, integrated fan ensures optimal distribution of cool air and its digital display allows you to easily monitor the temperature.

Reassuringly cool

The Dometic CoolMatic MR 07 is a fridge you can trust. Its reliable fixed point +5 °C (± 1 °C) makes it ideal for safely transporting heat sensitive products. It has an additional integrated fan to ensure the effective distribution of cool air and a digital temperature display which allows for convenient monitoring of the temperature. Compact in design, the 7 l fridge is ideal for small spaces and neatly fits into the wall with its flush installation. Made from durable stainless steel, it is designed to deal with all the knocks and bangs that a mobile fridge inevitably encounters.
