

LUXTOWER SMART TANK 120 LTS.

Reference: SMART TANK

LUXTOWER SMART TANK - 120 LT. FUEL TANK.

FUEL SOLUTIONS

Smart Tank by Luxtower has been designed with the idea of proposing a light solution, easy to handle and use, ecological, versatile, robust and able to increase operating times of motorised equipment. The tanks are built to withstand heavy use over time and can be used for various applications.

Smart Tank is the versatile and immediate solution for refuelling construction equipment.

Plus & Features

- Galvanised and powder-coated structure
- Tank incorporated in a 110% containment basin
- Compact and lightweight design
- Lifting hook
- Exhaust sleeve with cap
- Easy to manoeuvre, transportable like a trolley
- Anti-burglar screws
- Complies with current environmental regulations

- Manual rotary pump capacity 33 l | 100 cycles
- Fuel level indicator
- Fuel gun: swivel connector 2m power hose
- ADR Approved: L/17201/SNCH TPM01/4986/1385
- Burglar-proof closure
- Fire-fighting valve

Technical Sheet

Fluid type	Diesel
Tank capacity (L)	120
Transportability	Wheels and handles
Length (mm)	550
Width (mm)	600
Height (mm)	1200

Dry weight (Kg)	75
Oil fuel transfer pump	Hand Pump
