Reference: HRX 537C5 HZ EA

HONDA HRX 537C5 HZ EA SEMOVENT LAWMOWER 3,2KW ELECTRIC START

The HONDA HRX 537C5 HZ EA lawnmower is equipped with a gasoline-powered GCV190 engine capable of delivering a power of 3.2KW, suitable for large lawns (more than 500 square meters).

The HONDA HRX 537C5 HZ EA lawnmower have high performance, low noise levels and feature a number of Honda-exclusive technologies, such as: Select Drive for precise control, Versamow for selective mulching and Roto-Stop to safely disengage the cutting blades.

The Lawn Mower's GCV190 4-stroke engine has an enhanced combustion process that not only improves fuel efficiency, but ensures easy starting, even after winter idle time.

The HONDA HRX 537C5 HZ EA mower is complete with electric start so you can use it even more easily and immediately. The Xenoy deck are made of high-tech polymeric materials that are lightweight, strong and durable. In addition, they are resistant to UV rays and corrosion, for optimal conditions at all times.

The Versamow featured as standard on the mower, features seven settings, from collection to full mulching, allowing precise control over the amount of grass clippings you deem most suitable for fertilizing your lawn.

The HONDA HRX 537C5 HZ EA lawnmower comes complete with the Roto-Stop safety system that allows you to stop the blades quickly and safely, without having to turn off the engine.

Roto-Stop on the HONDA HRX 537C5 HZ EA lawnmower allows you to stop the blades but leave the engine running while emptying the grass catcher bag or moving along driveways. The blades are designed to bend, not break, if they hit solid obstacles while cutting. In addition to improving safety, this innovation prevents further damage.

HONDA HRX 537C5 HZ EA TECHNICAL FEATURES

Feed speed: 0-1.6 m/s
Cutting deck material: Xenoy
Blade brake: Roto-stop
Mulching system: Versamow variable mulching
Mowing position adjustments: 7
Collecting bag capacity: 85 l
Noise level: 98dB(A)
Collecting time per 100sqm turf: 07:07
Time for grass mulching for 100sqm turf: 03:09
Garden size: Large gardens (over 500sqm)
Cutting deck size: 53cm
Cutting height: 19-101mm

Engine: GCV190 OHC 4-stroke
 Power supply: Gasoline
 Boosting: Electric
 Displacement: 187 cc
 Power rating: 3.2 KW
 RPM: 2850 rpm
 Fuel Tank Capacity: 0.93 l
 Oil Capacity: 0.55 l
 Type of Transmission: Hydrostatic
 Length: 1770 mm
 Depth: 582 mm
 Height: 1105 mm
 Dry Weight: 44.7 Kg
