

HONDA PRUNER FOR UMC

Reference: SSPP

Honda pruner for Versatool UMC 425 E and UMC 435 E

Versatool Honda UMC 425 E and UMC 435 E multi-function implement pruner. Whether for domestic or commercial use, the Versatool pruning tool keeps the torque constant to facilitate work between the most hostile branches. Thanks to the extended mast it is able to reach high places and can be used with the extension pole to reach even higher heights.
