

HONDA BLOWER FOR UMC

Reference: SSBL

Honda blower for Versatool UMC 425 E and UMC 435 E

Versatool Honda UMC 425 E and UMC 435 E multi-function tool blower. With a powerful targeted air flow of two square metres, directly parallel to the ground, the blower removes garden debris with ease, without any loss of airflow. And thanks to the upper air intake, it will not suffer any blockage.
