

## DOMETIC SINEPOWER DSP2312T

Reference: 9600002555

### DOMETIC SINEPOWER DSP2312T INVERTER 2.300 W

DOMETIC SINEPOWER DSP2312T is an inverter designed to transform the 24 V battery voltage into pure 230 V alternating current.

Sensitive household appliances such as electric toothbrushes, laptops, TVs or DVD players require 230 V pure alternating current, just like sockets in the home. Exactly the one your DOMETIC SINEPOWER DSP2312T provides pure sine wave. This sine wave inverter ensures reliable operation of devices up to 2.300 W with the vehicle battery. DOMETIC SINEPOWER DSP2312T is a high quality, innovative and versatile, safe and reliable sine wave inverter with numerous functions and comfort that will make you feel at home.

The outstanding features of the DOMETIC SINEPOWER: priority circuit on mains current, energy-saving standby mode, elegant control panel for practical use and a perfect overview. Units up to 2.300 watts are lightweight and compact.

Integrated protection circuits prevent damage from overload, overheating, over and undervoltage. In the event of an overload, the inverter shuts down to prevent damage and reactivates automatically when returning to standard operating values. Another advantage is the low noise fan, which regulates its intensity independently depending on the load and temperature conditions.

#### TECHNICAL FEATURES DOMETIC SINEPOWER INVERTER DSP2312T

Depth: 481 mm  
Height: 118 mm  
Width: 284 mm  
Weight: 6.60kg  
Input voltage (direct current): 12 V  
Output voltage: 230 V  
Current consumption - Standby mode: 200 mA  
Absorbed current - Zero load: 2.8 A  
Energy efficiency >89 %  
Continuous power at 25 °C: 2.300 W  
Min. operating temperature:-20.00 °C  
Max working temperature: 60.00 °C

Are you looking for a product with different characteristics? [HERE](#) you can find the entire DOMETIC range and other specialized brands.

## Technical Sheet

Frequency (Hz)	50
Protection degree	IP20
Output voltage (V)	230
Length (mm)	481
Width (mm)	284
Height (mm)	118
Input voltage (V)	12
Kind of wave	Pure Sinusoidal
Continuous power (W)	2300
Weight (Kg)	6,60
