

HELVI ELECTRODE WELDING KIT 99900014

Reference: 99900014

HELVI Electrode welding kit 99900014

HELVI Electrode welding kit 99900014 ideal for MMA/TIG welding. The electrode welding kit 99900014 contains all the necessary tools for welding with electrodes.

This electrode welding kit 99900014 consists of:

- Mask
- 250 Amp Kit
- Welding cable 25 mm² 3 m
- Ground cable 25 mm² 2 m
- 25 mm² connector
- Electrode holder pliers
- Martobrush

The electrode welding kit with code 99900014 is available for the following welding machines:

- SPARC 186
- SPARC 226
