

HELVI ELECTRODE WELDING KIT 99900099

Reference: 99900099

HELVI Electrode welding kit 99900099

HELVI Electrode welding kit 99900099 ideal for MMA/TIG welding. The electrode welding kit 99900099 contains all the necessary tools for welding with electrodes.

This electrode welding kit 99900099 consists of:

- Mask
- 250 Amp Kit
- Welding cable 25 mm² 3 m
- Ground cable 25 mm² 2 m
- 50 mm² connector
- Electrode holder pliers
- Martobrush

The electrode welding kit with code 99900099 is available for the following welding machines:

- GALILEO 179
- GALILEO 219
- GALILEO 219HF
- FLEXY 200
