VITRIFRIGO Frigofreezer CHROMELOCK C60i

The **VITRIFRIGO Frigofreezer CHROMELOCK C60i** stands out as a high-quality refrigeration solution, designed to optimize space without compromising performance. This model, belonging to VITRIFRIGO's renowned Chromelock series, offers a **total capacity of 60 liters**, meeting the needs of those who require a compact yet efficient solution.

One of the distinctive features of the C60i CHR is the **option to include an optional 10.2-liter freezer compartment**. This flexibility allows you to adapt the refrigerator to your needs, offering the convenience of having both a refrigerator and a freezer in a single unit.

The design of the C60i CHR is conceived for practicality and safety. The **black panelable door**, with its elegant finish, integrates easily into various environments. The **snap closure** prevents accidental openings, ensuring food safety.

The **innovative "vent position" system** integrated into the handle allows partial opening of the door during periods of non-use, preventing the formation of mold and unpleasant odors and ensuring optimal food preservation.

From a technical standpoint, the C60i CHR is equipped with a **compressor refrigeration system** with an **internal motor unit**, ensuring efficient and quiet performance. The **mechanical thermostat** allows precise temperature control, while the **12/24Vdc power supply** (with option for a dual voltage control unit 12/24Vdc - 100-240Vac 50/60Hz) makes it ideal for use in campers, boats, and other mobile environments.

The **compact dimensions** (457 x 470 x 622 mm) and the **weight of 18.60 kg** facilitate installation and transport, while the **reversible door** offers additional flexibility. The **black/gray color** adapts to various interior design styles.

Technical specifications of the VITRIFRIGO Frigofreezer CHROMELOCK:

Length (mm): 457

Width (mm): 470

Height (mm): 622

Weight (Kg): 18.60

Power supply (W): 12/24Vdc (also available with dual voltage control unit 12/24Vdc - 100-240Vac 50/60Hz)

Internal refrigerator capacity (L): 60

Color: black / gray

Reversible door: yes

Series: CHROMELOCK

Thermostat: Mechanical

Refrigeration technology: Compressor

Motor unit: internal

Front opening: Single front door

Voltage: 12/24 VDC

The VITRIFRIGO C60i is a versatile and innovative solution for refrigeration and storage needs.

Technical Sheet

Input power (W)	12/24Vdc (disponibile anche con centralina bivalente 12/24Vdc - 100-240Vac 50/60Hz)
Length (mm)	457
Width (mm)	470
Height (mm)	622
Colour	black / grey
Capacity of the refrigerator (L)	60
Weight (Kg)	18.60
Voltaggio	12/24 VDC
Reversible door	Yes
Refrigeration technology	Compressor
series	CHROMELOCK
Thermostat	Mechanical
engine unit	internal
Front Opening	Single Door Front
