DOMETIC kampa Tailgater AIR

DOMETIC Kampa Tailgate AIR: Freestanding inflatable awning for SUVs - 3 m wide

Enjoy maximum flexibility and freedom when camping with the DOMETIC Kampa Tailgate AIR freestanding inflatable awning! Thanks to the innovative Air Frame with multi-point inflation, this awning can be set up and taken down in minutes, even by yourself, without the need for special tools. Completely independent of your vehicle, the Tailgate AIR gives you the freedom to explore and enjoy your favourite activities without having to return to the campsite to dismantle it.

Key features:

- Quick assembly and disassembly: Ready in minutes, ideal for quick stops or pitch changes.
- Completely independent: Does not need to be connected to your vehicle, offering maximum flexibility.
- Compact design: Stows easily in a bag that fits in almost any car boot.
- Generous living space: Provides a generous living area for relaxing, cooking or eating outdoors.
- Weather protection: The waterproof and UV-resistant material protects against sun, rain and wind.
- Ground sheet with clip: Included to create a dry and comfortable environment inside the awning.
- Windows with privacy curtains: Provide brightness and privacy when needed.
- Mesh panels: Promote ventilation and reduce condensation.
