Dometic Tap AC539 Single-lever chrome tap

The Dometic Tap AC539 is a kitchen tap designed specifically for motorhomes and caravans, combining elegant design with unrivalled functionality. Made from high quality plastic and with a polished chrome finish, this tap is the ideal solution for those who want a touch of style in their recreational vehicle.

Key features:

Modern design: The chrome finish gives a refined look and fits into any environment.

Single-lever operation: Easily adjust the water flow and temperature with a single movement.

Lightweight and durable: Made of high-quality plastic, it is lightweight and impact-resistant, perfect for use on the move.

High pressure: Withstands a maximum water pressure of 1.5 bar, ensuring a constant flow even in less than optimal conditions.

Why choose Dometic Tap AC539?

Perfect for motorhomes: Lightweight, durable and easy to install, it is the ideal choice for travellers.

Eye-catching aesthetics: The chrome finish adds a touch of elegance to your kitchenette.

Functionality: The single lever operation is practical and intuitive.

Dometic quality: A brand synonymous with reliability and durability.
