

Victron AGM Deep Cycle Battery 12V-220Ah

Reference: BAT412201084

Victron AGM 12V-220Ah Deep Cycle Battery

Victron AGM 12V-220Ah Deep Cycle Battery: Power and reliability for your adventures

The Victron AGM 12V-220Ah Deep Cycle Battery is the perfect solution for you! Designed to deliver exceptional performance and long life, this battery is ideal for campers, boats, solar systems and more.

Technical characteristics:

Capacity: 220Ah: Provides a considerable energy reserve to power your devices for long periods.

Voltage: 12V: Compatible with most 12V electrical systems.

Compact dimensions: 522mm x 238mm x 240mm: Fits easily into various spaces.

Weight: 65kg: Robust and solid, but not excessively heavy.

AGM technology: Ensures long life, vibration resistance and low self-discharge.

Deep Cycle: Designed to withstand numerous full discharge and recharge cycles without compromising performance.

Features:

Battery capacity: 220 Ah

Voltage: 12 V

Length: 522 mm

Width: 238 mm

Height: 240 mm

Weight: 65 mm
