FRIGOBOAT MS130 MOBILE FRIDGE WITH ICEBOX 117LT

The FRIGOBOAT MS130 Mobile Fridge with Icebox 117lt is designed to deliver high performance, energy efficiency, and durability under the toughest conditions on board boats. With a capacity of 117 liters, this FRIGOBOAT MS130 refrigerator is the ideal choice for keeping food and drinks fresh during navigation while optimizing available space.

Main Features of FRIGOBOAT MS130 Mobile Fridge with Icebox 117lt:

Total capacity: 117 liters, perfect for storing a wide variety of food and beverages.

Net weight: 41 kg, a sturdy and durable structure ideal for marine use.

Power supply: 12V / 24V / 230V, ensuring flexibility and adaptability to different onboard configurations.

Dimensions: Width 530 mm, height 745 mm, and depth 530 mm, ideal for limited spaces while offering ample storage volume.

Insulation: 50 mm of expanded polyurethane, providing superior thermal insulation to minimize energy consumption while maintaining a stable internal temperature.

Shelves: 3 adjustable-height shelves, allowing for optimal internal organization.

Bottle and can holders: 1 bottle holder and 1 can holder, ensuring greater convenience and order.

Separate Icebox, designed to maintain a constant temperature and ensure optimal preservation of cold-sensitive products.

Material: Made of high-quality stainless steel, resistant to corrosion and stresses typical of marine environments.

Energy efficiency and advanced insulation: The FRIGOBOAT MS130 Mobile Fridge with Icebox 117lt is designed with a 50 mm expanded polyurethane insulation layer, allowing it to maintain a constant internal temperature and minimize energy consumption—crucial for refrigeration in marine environments. The door features a magnetic gasket and double glazing, further enhancing energy efficiency and protection against condensation.

Easy and flexible installation: One of the key features of the FRIGOBOAT MS130 Mobile Fridge with Icebox 117lt is its ease of installation. The fridge is compatible with Frigomatic cooling units, both air and water-cooled, and installation is further simplified by the Frigoboot quick-connect system. This allows for easy adaptation to the specific needs of any boat.

Durability and long-term reliability: Built with high-quality materials and designed to withstand the harshest marine

environments, the FRIGOBOAT MS130 Mobile Fridge with Icebox 117lt is extremely durable and corrosion-resistant. Its robustness ensures safe and reliable use for many years, even under challenging navigation conditions.

Conclusion: The FRIGOBOAT MS130 Mobile Fridge with Icebox 117lt is the ideal solution for those seeking a reliable, durable, and efficient marine refrigerator. With its elegant design, superior performance, and easy installation, this fridge is perfect for any type of boat. Whether for a short excursion or a long voyage, the FRIGOBOAT MS130 Mobile Fridge with Icebox 117lt will ensure that food and beverages on board remain fresh and well-preserved.
