FRIGOBOAT MS80IN FRIGO MOBILE 60LT

The Frigoboat MS80IN Frigo mobile 60lt is the ideal choice for those looking for a reliable, efficient, and stylish refrigerator for boats. This refrigerator, part of the MS series by Frigoboat, represents excellence in the marine refrigeration industry, a result of Veco's long experience. The Frigoboat MS80IN is designed to deliver high performance in all sailing conditions, combining advanced technology and high-quality materials.

Made entirely of AISI 304 stainless steel, the Frigoboat MS80IN Frigo mobile 60lt ensures corrosion resistance and exceptional durability. The interiors, also in stainless steel, feature adjustable-height shelves and a bottle holder, perfect for practical and functional onboard organization. With its innovative design and high-quality details, the Frigoboat MS80IN Frigo mobile 60lt integrates perfectly into any marine environment.

Main features of the Frigoboat MS80IN Frigo mobile 60lt:

Total capacity: 60 Lt

Net weight: 32 Kg

Power supply: 12V / 24V / 230V

The Frigoboat MS80IN Frigo mobile 60lt is designed to optimize energy efficiency thanks to its expanded polyurethane insulation. The advanced insulation system (50 mm for refrigerators and 80 mm for freezers) ensures a stable temperature and minimizes energy consumption while maintaining high performance even under the most demanding conditions.

The door of the Frigoboat MS80IN Frigo mobile 60lt opens up to 180°, allowing easy access even in tight spaces. The anti-condensation magnetic gasket prevents moisture buildup and ensures a hermetic seal, improving the overall efficiency of the refrigerator.

Its versatility is further enhanced by the option to install a remote refrigeration unit, which optimizes space and reduces noise. The Frigo boat MS80IN Frigo mobile 60lt is compatible with Frigomatic refrigeration units, both air and water-cooled, to guarantee maximum performance and system efficiency.

Perfect for yachts, sailboats, and other leisure boats, the Frigo boat MS80IN Frigo mobile 60lt is the ideal refrigerator for those who want the best in terms of design, durability, and performance. With its large capacity and advanced functionality, it is the perfect companion for every sea trip, keeping your food fresh and well-preserved at all times.
