

VITRIFRIGO C39i Refrigerator without Freezer Compartment

Reference: 0400-0639

VITRIFRIGO C39i Refrigerator without Freezer Compartment

The VITRIFRIGO C39i is a 39-liter compressor refrigerator with an internal motor unit, perfect for installation in campers, boats, or professional minibars where space is limited.

With compact dimensions of 397 x 390 x 547 mm and a dry weight of just 16 kg, it offers a 12-24 Vdc power supply, a reversible front single door, a mechanical thermostat, and black or gray colors to suit any environment.

Compressor technology ensures rapid and stable cooling, dedicating the entire volume to refrigeration without a freezer compartment, to maximize practical utility in mobile contexts.

Technical Features:

Dimensions: Length 397 mm, Width 390 mm, Height 547 mm

Dry weight: 16 Kg

Power supply: 12-24 Vdc

Product type: Compressor refrigerator

Capacity: 39 liters (refrigerator)

Colors: Black / Gray

Door: Reversible, single front door

Thermostat: Mechanical

Refrigeration: Compressor with unit internal motor
