

Dometic Club AIR Tour

Reference: Club AIR Tour

Dometic Club AIR Tour

The Dometic Club AIR Tour is one of the most versatile awnings available on the market, designed for maximum flexibility, comfort, and durability. Thanks to the fully removable zipped front and side panels, it allows you to easily modulate the space according to the weather conditions and your needs, quickly transforming from a closed awning to a more open and airy structure.

The two large front doors provide practical access and optimal ventilation, making the interior bright and welcoming. Made of durable Weathershield™ Tour material, the Dometic Club AIR Tour combines robust tear-resistant fabric with high UV protection, ensuring reliable performance and a long life even after prolonged use over time.

The improved curtains offer greater comfort and privacy, while the build quality and attention to detail make it the ideal solution for those who want to expand the space living area of your caravan with an elegant and functional style.

Main features:

- Multi-height system
- Superior ventilation
- Extra-deep
- Weathershield™ Tour material

ATTENTION:

For all variants the awning dimensions are:

Awning depth: 2750 mm
