Dometic Grande AIR Stay 390 S

The Dometic Grande AIR Stay 390 S is an inflatable awning designed to offer space, comfort, and high performance during camping holidays.

With a depth of 300 cm, it offers a generous living area and, compared to more compact models, features an additional window on each side for increased light and ventilation.

Made of durable Weathershield™ Stay material, the Dometic Grande AIR Stay 390 S awning combines a tear-resistant weave with high UV resistance. The structure is composed of breathable polycotton walls, which help reduce condensation and improve interior comfort, combined with an ultra-strong polypropylene roof for reliable weather protection.

Large panoramic windows and easy-to-install removable awnings complete the design, offering privacy and an excellent view of the outside.

Key features:

- Multi-height system
- Superior ventilation
- Extra-deep
- Weathershield™ Stay
- Renewed internal blinds
- Waterproof
