### Technical Sheet

|                                  |                            |
|----------------------------------|----------------------------|
| Fluid type                       | Diesel                     |
| Maximum output capacity (Lt/min) | 70                         |
| Tank capacity (L)                | 995                        |
| Internal diameter (mm)           | 1100                       |
| Outer diameter (mm)              | 1150                       |
| Length (mm)                      | 1150                       |
| Width (mm)                       | 1150                       |
| Height (mm)                      | 1400                       |
| Oil fuel transfer pump           | Self-Priming Electric Pump |
