

DOMETIC WINTER COVER SET EWS 300

Reference: 9105900017

A replacement cover for your fridge to maintain or improve your fridges cooling performance in cold weather.

Cooling performance covered

The Dometic winter cover set is a replacement cover for your fridge that will maintain or improve your fridge's cooling performance in cold weather conditions. The EWS 300 model enhances your fridge's insulation values and ensures maximum performance even at ambient temperatures reaching -30 °C.
